#### **RATIONALE:**

This camp caters for students in **Year 5 to Year 12**. During the camp participants will be divided into three dance ensembles, all of which will work with each of the tutors in different dance genres. Ensembles will reflect their ability and experience and consideration given to their physical fitness, strength and endurance. Camp will cater for all comers – from students who enjoy dance and do not have lessons to those who are advanced. Dance Camp provides quality dance education catering for all students and gives talented students opportunities to gain knowledge and practical instruction beyond the level offered within the regular school curriculum. The camp also provides opportunities to develop students performance and composition skills using the elements of dance. It is hoped that dance camp contributes to the strengthening equity of access to dance instruction for regional and rural students. Dance Camp will create specialist regional dance ensembles who will also perform at the regional festival. These ensembles, taught by industry professionals and teachers to will build student's expertise and skills and encourage the creative process. Regional ensembles then apply for State Dance Festival and the success rate for this area has increased over the past festivals.

**Cost:** \$440.

**Payment should be made to your son/daughter's school for the amount of \$440 including GST.**

Students who withdraw after **29 March 2020** will forfeit all monies paid.

**STATE DANCE FESTIVAL September 2020** Groups will be auditioned to participate in this event. If successful they will travel to Sydney in September to perform.
